Exciting opportunity to own a prime 20 Acre Tract with easy access directly off of paved road! Nice newer homes in the area, gently sloped area for prospective building site with views out over your land. Beautiful, wooded coulees for privacy, walking and wildlife viewing. Brand new driveway approach just completed to pull in off Hillcrest Rd (please do not drive beyond gravel area). There is a developed spring on this property that has not been in use due to being vacant. This property has very nice aspects, must be seen to be appreciated!
