5 Bedroom, 2.00 Bathroom,
Residential on 0.16 Acres

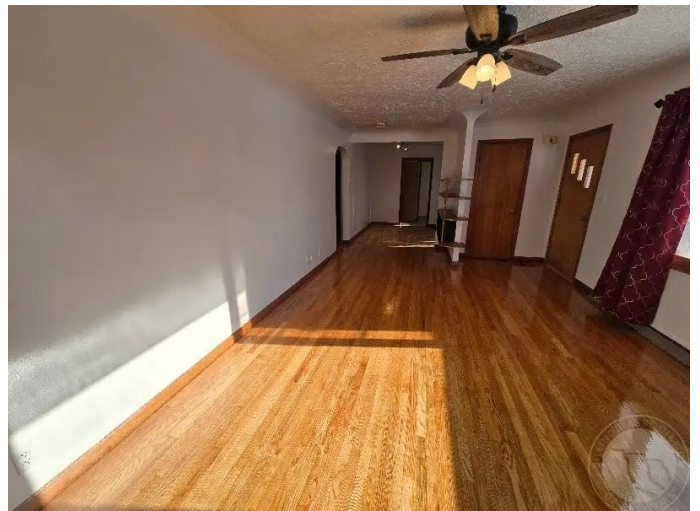

Milwaukee Second Addition, Baker, MT

A charming 5 bedroom 2 bath home on a corner lot with tons of original house features. Walking through the front door leads you into a gorgeous living room with newly refinished hardwood floors and curved ceiling to wall accents. The kitchen features ample counter space and a small pantry. There is 2 more bedrooms with original hardwood and a full bathroom that was just completely remodeled off of the living room. Through the entry way off of the dining room is 2 more oversized bedrooms, and an unfinished space with potential for another bathroom. Downstairs has 1 more bedroom, a bathroom, laundry room with utility sink and another living space. This living space is set up for a small apartment kitchen with a fridge and sink. Almost all of the flooring has been refinished or replaced and the home has fresh paint. This home is located close to Baker Lake and has tons of potential.

Built in 1955
