Residential on 1.76 Acres

FOXHILL ESTATES PH 3, Kalispell, MT

Custom New build just under 3,200 Sqft. 4 Bedrooms, 4 bathrooms with a huge garage on 1.75 Acres. This home is being built for those who appreciate custom quality builds that you have to see, to appreciate. This builder treats his builds as if he is building it as his family's forever home. Extra time and money was spent to inlay the floor joists for appearance and to avoid stairs coming from the garage. Main level master and not one stair from the garage to get to it. The appliances are all top of the line, granite throughout, tiled master shower with large soaker tub, huge pantry, top of the line doors and windows, custom beam work and a covered deck that fits this property and its views perfectly. Room on the property to build a large shop if needed and the land around this home is fully developed. Immediate property to the west cannot ever be developed.
