Residential on 6.63 Acres

Virginia City Ranches, Ennis, MT

One of the BEST BUYS in the Madison Valley is this very well maintained 5 bedroom - 3 bath home on 6+ acres hidden in formally landscaped trees. Beautiful views from the eastern deck of the mountains, wildflower garden, and trees. Antelope are some of your main neighbors. The house has an open floor plan with a propane stack rock fireplace as the focal point - especially on a winter's eve. 3 bedrooms on the main floor (current owner uses 2 of them as an office and workout rooms) and a large master en-suite with full bath (jacuzzi tub and shower), walk in closet, and private exit onto the eastern deck (perfect place for morning coffee or watching the as the sunset turns the Madison Mountains pink and purple with alpine glow. The basement adds 2 more bedrooms, family room, and lots of storage. The property is beautifully landscaped with mature trees, perennial flower beds, and green grass. Fiber Optics gives you an opportunity to work from home. Want horses? Fence a pasture and bring them! All of this is found less than 10 minutes from downtown Ennis, an hour's drive to Yellowstone National Park, or the Bozeman Airport. Light covenants will allow for VRBO if that fits your lifestyle. Priced to sell - it's a lot of home for your money!!
