Discover a rare gem in the heart of Flathead Valley — a 20-acre West Valley retreat that embodies the essence of Montana living. This extraordinary property offers three distinct dwellings, blending rustic charm with modern convenience and endless potential.

At the heart of the estate stands a stunning 4,054 sq. ft. log home, inspired by the timeless grandeur of Glacier National Park Lodge. With 4 bedrooms and 3 baths, the home radiates warmth and character. The spacious kitchen with full-size refrigerator/freezer, dining area, and inviting living room flow effortlessly to a large deck where a hot tub awaits — the perfect spot to forest bathe under Montana's starry skies. The primary suite occupies its own private upper level, complete with dual vanities and a walk-in closet, while the lower level offers three additional bedrooms, a cozy family room, laundry, and ample storage. See Supplemental Remarks for more info. A breezeway connects the home to a 2-car garage with generous upper storage rooms, adding to the property's practical appeal. Perched above a 4-bay heated garage/shop is a spacious 2-bedroom, 1-bath apartment with a full kitchen and private deck — the ideal vantage point for watching Flathead Valley's legendary sunsets. Whether used as a guest retreat, rental opportunity, or multi-generational living space, it offers both comfort and flexibility.

Adding to the charm is the 700 sq. ft. original homestead cabin, now a fully operational and

income-generating short-term rental. Offered fully furnished with all appliances, this cozy cabin blends history with modern convenience – an authentic nod to Montana’s rich heritage. This is more than a property – it’s an invitation to embrace Montana’s unmatched lifestyle. Hunt, explore, or simply unwind in your own private sanctuary, all while being just minutes from town. The combination of natural beauty, privacy, and versatility makes this a true diamond in the rough – an unparalleled opportunity to own a piece of Big Sky Country. Cabin offered fully furnished; pool table conveys with apartment. *Since photos were taken, Main House entryway stairs and railings have been redone.
