Diamond T Ranch isn't just a property; it's a lifestyle. Spend your mornings horseback riding across 1,400+ acres, exploring endless trails and rolling terrain right outside your door. ATV or side-by-side rides can start from the garage and extend for miles, and for hunters, the land offers upland game, waterfowl, mule deer, whitetail deer, and antelope hunting with opportunities for special hunting permits due to the ranch's scale. You can even set up your own target practice or shoot clay pigeons right from your porch. The ranch sits just 20 minutes from downtown Great Falls, with groceries, restaurants, banks, and even concerts to enjoy. You're only about 20 minutes from blue ribbon fly fishing on the Missouri River or the Smith River, so you can sneak out for a morning on the water whenever you like. World-class outdoor recreation surrounds you: hiking in the Bob Marshall Wilderness and surrounding mountains, and boating or relaxing on Holter Lake. It's also only 1.5 hours from Showdown Montana Ski Resort and about 3.5 hours from Whitefish Mountain Resort. The Showdown Resort offers great alpine and cross-country skiing options. For weekend getaways or hosting guests, you can fly into Great Falls International Airport or, for the adventurous, even land your small plane right on the property.
