5 Bedroom, 3.00 Bathroom, 2,392 sqft

Residential on 5.13 Acres

N/A, Whitefish, MT

This 5 acre property with 5 bed/3 bath home provides the perfect opportunity to be surrounded by nature yet be easily accessible.

The 5 acres of wooded land offer seclusion, while the proximity to both Whitefish and Kalispell ensures easy access to amenities. The home layout offers an open upper floor plan with plenty of natural light and a lower level with 2nd living room, 3 more bedrooms, lots of space and storage. The home has had several updates over the years, including a kitchen remodel, new roof, some flooring and exterior paint in 2011-2014. New gutters to be installed in June. Outdoors, you will find a recently updated back deck plus firepit, horseshoe pit, and raised garden beds – great for enjoying the beauty of the area with the added bonus of State Land access right across the street. There's plenty of room to explore the outdoors. With county approval, zoning allows for a guest house (not another residence) and another potential access from Conifer Lane.

Built in 1986
