MLS® #30043388

\$119,900

Bedroom, Bathroom,
Land on 20.00 Acres

N/A, Belfry, MT

Escape to your own piece of Big Sky Country with this stunning 20+/- acre parcel for sale near Red Lodge, Montana, offering panoramic views of the Absarokee Beartooth Mountains. Just 1.5 miles from Custer National Forest and adjacent to vast BLM land, this is a dream location for outdoor lovers, wildlife enthusiasts, and those seeking adventure right outside their doorstep. Wake up to elk, deer, and antelope roaming your land, and build the Montana retreat you've always envisioned—whether it's a cozy cabin or your forever home. With its attractive price point, it's not just a place to call home; it's a savvy investment. Adventure beckons with the National Forest and BLM lands nearby, granting you access to a wealth of recreational opportunities. Plus, the northeast and east entrances to Yellowstone National Park are within easy reach. Adjacent to a vast expanse of BLM land, you'll have ample space to explore and enjoy the great outdoors just steps from your property. With easy access to hiking, hunting, and the scenic routes leading to Yellowstone National Park, this property is the perfect blend of seclusion and opportunity. Don't miss out on this rare and affordable Montana gem!
