Land on 5.00 Acres

N/A, St Ignatius, MT

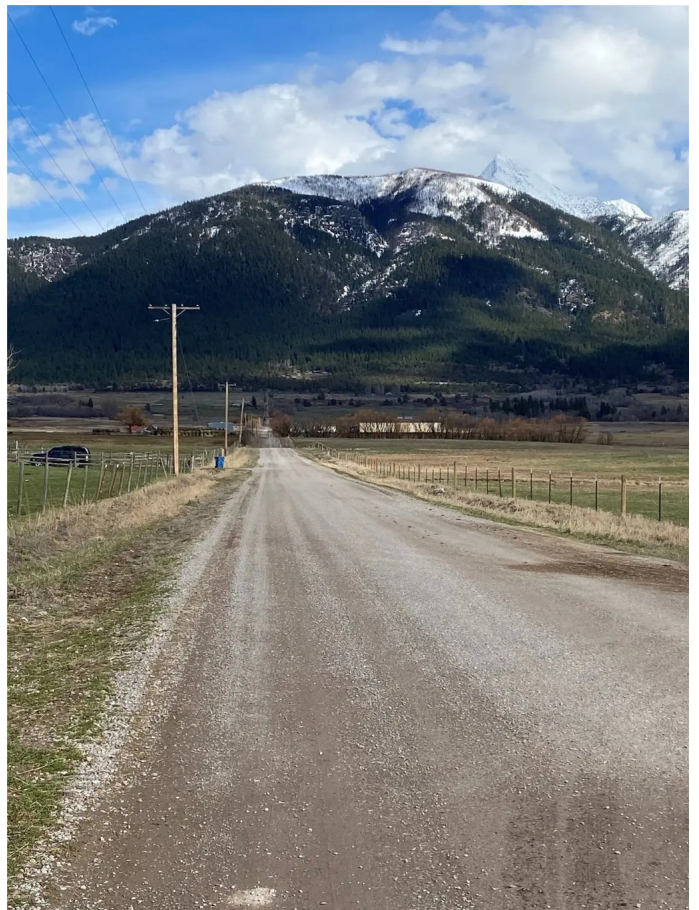

This 5 acre piece of Mission Valley has it all!! It's not too big, not too small, but just right with Big Views of the Mission Mountains! It is level acreage to create your own mini farm on or to build that perfect place you have been dreaming of! With no Covenants or HOA restrictions-- the Big Sky is the limit! Irrigation has been made easy with an easement to a shared irrigation distribution point already provided. Located halfway between Missoula and Kalispell makes for a quick drive either way to shopping and entertainment. It's an easy and beautiful drive for a day trip to Glacier National Park and just 25 minutes to the shores of Flathead Lake and all of its grand beauty! I look forward to talking to you about this one!
