Adorable, updated home at the end of Elk Street. What a great location! Enter into the living room with beautiful old oak hardwood floors in this two+ bedroom, one bath home. To the left is the updated, eat-in kitchen and straight ahead is the bright, cheerful bath. The primary bedroom has a built in closet with drawers, a newer vinyl slider to the view and a nice deck to a private back yard. The bath also has been updated, located between the two upstairs bedrooms. Downstairs is a bonus room with a window, sitting area and laundry/furnace room. There has been some updated plumbing and it appears that the electrical has been updated. Off of the kitchen, a door leads out to a workshop off of the attached garage. A nice big area for storage or whatever your heart desires. Large acreage is across the unimproved alley with friendly horses and large trees and Mount Silcox as the backdrop. What a gorgeous location. A great opportunity.
