3 Bedroom, 3.00 Bathroom, 2,080 sqft
Residential on 2.62 Acres

Homestead Subdivision, Sheridan, MT

Welcome to this stunning, brand-new custom built home in the desirable Homestead Subdivision, nestled on 2.62 acres of picturesque land. With 2,080 square feet of beautifully designed living space, this home offers the perfect blend of modern comfort and rustic charm.

Featuring an open floor plan in the main living space, this home also has three spacious bedrooms and two and a half bathrooms. The luxurious primary bedroom includes a large walk-in closet and a serene en-suite with a deep soaker tub, providing a private retreat after a long day.

The heart of the home is the large kitchen and living space, perfect for preparing meals and hosting gatherings. Vaulted ceilings with exposed beams add a sense of grandeur to the living spaces, while a natural gas fireplace adds warmth and coziness to the living room. The home also includes a spacious 2-car garage and a covered wrap around patio, adding practicality to the luxurious living experience.
