Business Opportunity

N/A, Missoula, MT

Garden City Monument, a well-established and respected monument business with over 50 years of service in Western Montana, is now available for purchase as the current owner prepares for retirement. This is a turnkey opportunity ideal for someone looking to take over a reputable operation with deep roots in the community and a strong track record of success.

The business is located in a high-visibility, high-traffic area with a favorable long-term lease through the State of Montana, making it an ideal spot for continued growth. The sale includes all necessary equipment, allowing a new owner to step in and begin operations immediately. Inventory to be purchased outside of sale. Garden City Monument comes with a large book of business, built over decades of quality service and trust, and also includes a secondary location in Butte, Montana, offering expanded reach and additional revenue potential. To ensure a smooth transition, the current owners are willing to provide training for a limited time. Full financials are available upon signing a nondisclosure agreement. This is a unique opportunity to acquire a well-respected, long-standing business with everything in place for continued success.
