Residential on 8.01 Acres

N/A, Missoula, MT

Welcome to this sweet home nestled on two expansive lots, boasting unparalleled views of the surrounding landscape, providing a sense of serenity and tranquility. Step inside to discover a beautifully updated interior with a spacious living area complete with built ins and a workspace. The kitchen is truly the heart of this home. With an exceptional granite island that offers functionality and storage, live edge countertops, subway tile and newer appliances, it is perfect for gathering and entertaining. The home is completed with two large bedrooms and an updated bathroom with a tile shower and rustic finishes. With a wood stove and an electric diesel heater, you will stay cozy during the cold winter months. The property is flat and level and features a detached 2 car garage as well as additional outbuildings. One lot is 5.605 acres and the second is 2.4 acres. There are two high producing wells on the property. Need a space for livestock? You have found it. There is a barn as well as irrigation for watering the grounds or for taking care of animals. Irrigation equipment is included! Situated just west of Missoula, this property is conveniently located near schools, stores, and and restaurants. Drive to the end of Harpers Bridge Road and dip your feet or your fishing rod in the Clark Fork River.
