MISSION: Provide attainable homeownership opportunities for local Missoulians and those relocating for work who are currently priced out of the Missoula market. West End Farms:

Developed by Missoulians, for Missoulians.

Our community features homes priced using "building cost + markup" rather than market value, with fixed pricing and no bidding wars.

We maintain a waitlist and give priority consideration to first-time homebuyers. A

two-year owner occupancy requirement

promotes neighborhood stability and

strengthens community ties. Quality

construction and meticulously designed floor plans maximize livable space with 9' ceilings,

oversized windows for abundant natural light, concrete porches, and insulated concrete

foundations. Rear alley access provides ample parking for vehicles and recreational

equipment. WEF is adjacent to a future

28-acre master-planned public park and

Hellgate Elementary School. Doing a drive-by

is easy but if you want a tour of the site,

please schedule an appointment.
