Beautiful home in a fantastic location! This 6 bedroom house is tucked away in a perfect neighborhood. Set on an absolutely huge .4 acre lot. The front yard has a wonderful mix of privacy and shade trees as well as landscaping. The back yard is even better with an awesome covered deck, that is a wonderful spot to overlook sunsets and pool parties from the extra deep in ground pool. Or just relax on the other poolside deck and soak up some fun in the sun!! Inside this house is in really great shape. The heart of the home is the wonderfully updated kitchen. Anchored by a spacious peninsula and convenient bar seating, it offers the perfect setup for cooking, serving, and gathering. Rich cabinetry, ample counter space, and thoughtful layout make it as functional as it is welcoming. One very important feature that stands out is the large size of all the rooms, especially for each of the 6 big bedrooms. Even the attached 3 car garage is extra large!
