Welcome to Timberline Ridge with wonderful views of the “œ” on the Bridger Mountain Range. This mobile park has newly paved streets/driveways, a new public park area with playground, pavilion, bbq, and a dog park that is lit up in the evenings. The seller tells me that everyone who lives in this community has been here for years because they don't want to leave due to the larger lot sizes and friendly atmosphere. Lot #52 has amazing views from the porch of the Bridger Mountains and an extra wide, large wrap-around yard.

Not only is the area and lot fantastic, but this 3 bed/2 bath home has be well cared for: '23 new washer/dryer and refrigerator, '22 new furnace, gutters, and water heater. 2021 full master bedroom and bath remodel along with new skirting and decks. Listing agent is related to seller.

Built in 1999
