Land on 0.48 Acres

N/A, Thompson Falls, MT

4 beautiful lots in the town of Thompson Falls with large rock outcroppings and views of the Clark Fork River. City water is to the site, as well as a permitted shared septic system, that would need to be approved for re-use by the Sanders County Sanitarian. There is power to the lot and once it had a mobile home on it. The city sewer should be coming to the land within the next few years. Very convenient to downtown Thompson Falls and not far from the mule pasture, which is a large Forest Service Parcel north of Thompson Falls, this land is set up and ready for your home. Call today for a showing.
