Land on 0.77 Acres

N/A, Virginia City, MT

Tucked away on just over three-quarters of an acre, this unique parcel offers a rare opportunity for those looking to truly get away from it all. Bordered by more than 2,000 acres of contiguous public land, it's a walk-in-only property that places you right in the heart of nature. Whether you're dreaming of the perfect hunting base camp or a private retreat under the stars, this land delivers immediate access to the great outdoors—step off your tent platform and you're already in prime hunting territory. The awesome views add to the sense of seclusion and freedom. While vehicle access is currently blocked by the neighboring property, reaching the parcel is still simple on foot—we parked at the nearby landfill and enjoyed a short walk in. The land is vacant and waiting for you to explore it firsthand. Let your outdoor dreams take root here.
