Bedroom, Bathroom,
Land on 20.00 Acres

N/A, Kalispell, MT

There is no doubt that a great piece of land has gotten extremely hard to find in the Flathead Valley. With the continued uptick in popularity and exposure it seems that folks will continue to migrate to the Flathead Valley, many of them in search of the perfect piece of land that has it all, a true perfect canvas to create their vision. This 20 acres checks all the boxes; water views of Foy's Lake, mountain views into Glacier National Park and the Swan Mountain range, gated for security, private yet not remote, usability, a tree / meadow mix and some infrastructure already in place. Don't let this opportunity slip away. Less than 10 minutes from Kalispell's amenities and endless recreating out the back door.
