Residential on 4.99 Acres

N/A, Kalispell, MT

Enjoy unobstructed panoramic views of the stunning Swan Range from this beautifully crafted home, perfectly situated on 4.99 acres with a southeast-facing orientation to capture abundant natural light and breathtaking scenery. This thoughtfully designed home offers the convenience of main-floor living and an open-concept layout featuring rich hickory cabinets, stainless steel appliances, solid core doors, and quality finishes throughout. The spacious primary suite includes a luxurious walk-in shower and a separate jetted tub—ideal for unwinding after a long day. A guest bedroom offers both a modern shower and a classic cast iron tub, while a dedicated office space on the main floor adds flexibility for remote work or quiet study. The daylight walkout lower level expands your living space with a large, versatile multi-purpose room—perfect for entertaining, workouts, or game nights—anchored by a cozy gas fireplace. A separate sizable shop adds even more potential and could be easily converted into a third bedroom, studio, or hobby room. Exterior features include a large deck that soaks in the breathtaking mountain & valley views. Outdoor amenities include an RV carport, a fenced raised garden, large shed and a generator for added comfort and peace of mind. There's also plenty of room to add a garage or additional shop if desired. Jewel Basing hiking area is just outside your door for hiking, cross country skiing! This property offers both tranquility and versatility

â€” a true Montana retreat with forever views.
