Nice townhome located in a great central location. Skyla Ct is a fantastic street with no thru traffic, open space and tons of parking. The 2 story floor plan has great separation of space. As you enter the main level there is a bedroom, full bathroom, rec room area and access to the back yard. The main living area is upstairs and has an open kitchen and living/dining room with vaulted ceilings, lots of window and great natural light. Also on the main are 2 bedrooms, a full bathroom and laundry. Note there is a two car garage. This home has had many updates including the kitchen countertops and flooring. There is central AC and is heated by a gas forced air furnace. In the neighborhood is a big grassy open space and nearby is the popular Lafray Park. Roof was replaced 2011 and HOA fee is just \$80/month.

Built in 1998
