Land on 4.96 Acres

N/A, Whitefish, MT

Enjoy this 4.96 acre tract of land located on the edge of the Star Meadows wetlands where wildlife abounds with easy access to State and USFS lands and backcountry trails for exploration. The parcel has been developed as a year-round, get-away, camp with amenities. Amenities include two cabins built around camp trailers, a 3-stall loafing shed and paddock for horses, a firepit, a covered outfitter's tent, a hot tub, grid power, and availability of landline telephone service. An unnamed tributary to Logan Creek flows through the property year-round. Drilling a well or developing a spring on the property for domestic water supply and installing a Flathead City-County Board of Health approved septic system (non-discharging incinerator toilets and the treatment of gray water through waste segregation) will enable full services.
