Residential on 10.00 Acres

N/A, St Regis, MT

Welcome to Montana, this is exactly what you have been looking for! The home is large with a massive rock fireplace as you first enter the home. The family room makes a big statement and has an instant feel of home as you walk in. This home sits on 10 beautiful acres, with just the perfect amount of trees to give you the ultimate privacy. The large front deck feels like you can see forever, without anyone knowing you are even there. The town is just a couple miles away, so access is really easy during winter months, you literally have the best of both worlds. The large kitchen has room for the whole family to bake on those cold winter months, or have large entertaining area for the Montana Summers. There is a couple of out buildings that have been used prior for sleeping area's, but they have no bathrooms to them, so you can use them however you want, this place comes with so many possibilities. Come make this your new family home!

Built in 1984
