Welcome to the "Whispering Pines Cabins" in beautiful Lakeside Montana. This is an opportunity to step into a well-established short-term rental business with immediate income production. These 3 themed cabins come fully furnished and have been meticulously maintained since they were built between 2016 & 2018. While relaxing on the front porch, the craftsmanship is evident with repurposed posts & beams from an early 1900s barn in the Flathead Valley. The property is 10 acres of peaceful surroundings with electric hookups for 3 RV sites, a horseshoe pit, and a community fire pit! With the proximity to Flathead Lake in the summer and just a short drive to Blacktail Mountain Ski Area in the winter, these cabins are a must-see! Whether you plan to live in one cabin and rent out the others, build a dream home, or step into a thriving business, the Whispering Pines Cabins are turnkey and have even more potential for future expansion!
