3 Bedroom, 3.00 Bathroom, 4,218 sqft

Residential on 5.02 Acres

N/A, Stevensville, MT

Set on 5.02 acres with panoramic views of the Bitterroot Mountains and Valley, this updated 3 bedroom, 3 bathroom home offers the perfect blend of comfort, space, and Montana charm. With 4,218 sq ft of living space, the property provides ample room for living, entertaining, and enjoying the natural beauty of Western Montana. The home has recently gone through major renovations including a reconfiguration of the main level, fresh interior paint, new exterior siding, new flooring, a stunning redesigned and expanded kitchen, and more. The kitchen features custom cabinetry, a 48" gas range, all new Thermador appliances, a large island with black quartz slab counter, and a matching quartz backsplash, combining form and function in a modern, elevated space. The property also comes complete with a private observatory for stargazing and a detached garage with an integrated shop, ideal for hobbies, storage, or projects. The main level living room opens directly to a spacious brand new deck with breathtaking views, ideal for gatherings or evenings watching the sunset. The primary suite, also on the main level, offers direct deck access and a large ensuite bath with a custom-tiled walk-in shower. 2 additional bedrooms, a dining area, and laundry room complete the main floor. The walkout lower level features a second living area, a wet bar, and access to the backyard patio, making it a great space for guests or entertainment. Set southeast from the town of

Stevensville, this property offers the perfect blend of modern and country living.
