3 Bedroom, 4.00 Bathroom, 1,721 sqft

Residential on 0.07 Acres

Remington Flats, Missoula, MT

This brand-new, modern, high-end finished townhouse offers an incredible value with 3 large bedrooms, 2.5 bathrooms, and over 1,721 square feet of quality energy-efficient living space and a large finished attached 24'x24' - 2 car garage is situated on level professionally landscaped low maintenance lot serviced by underground sprinklers, within Missoula's newer premier subdivision, Remington Flats, within walking distance of the established 44 Ranch, expansive 5+ acre neighborhood park with playground, scenic ponds & covered Pavilion. This architecturally designed, tastefully appointed, quality built townhouse by King Built Homes, renowned for their quality craftsmanship and thoughtful designs. This home combines low maintenance living with comfort, and it is ideally located just 5 minutes from the North Reserve Street corridor. The property falls within the highly sought-after Hellgate Elementary School District. Upon entering, you are greeted by a welcoming covered front entry. The main level features an open floor plan with radiant natural light, 9-foot ceilings with recessed can lighting, and wide-plank, low-maintenance LVP flooring. The spacious living room has a decorative picture window and is adjacent to the large open dining area, complete with a modern chandelier and full glass door to side patio. Both spaces flow into the expansive gourmet kitchen, which boasts a large center island, a walk-in pantry, painted shaker-style cabinetry, solid granite

countertops, under cabinet lighting, tile backsplashes and sleek LG stainless-steel appliances. A convenient half-bath is located off the entry foyer, along with a coat closet for added storage. The upper level of the home includes a private, ample sized deluxe primary suite with decorative windows, ceiling fan and a large walk-in closet, and a spa-inspired ensuite bathroom with raised dual sink granite countertop vanity, 5' foot walk-in decoratively tiled shower with plate glass enclosure, and a private water closet. Two additional well-sized bedrooms, each with ample closet space, share a full guest bathroom with an elongated vanity and tub-shower combo. A laundry room is conveniently located off the hallway for easy access. Other notable features of the home include a primer finished, insulated 2-car garage with an insulated overhead door and automatic opener, a high-efficiency Lennox furnace and air conditioning unit, and a 50-gallon Bradford White water heater. The property also includes a professionally landscaped yard with underground sprinklers, providing easy upkeep. Importantly, there are currently no monthly homeownerâ€™s association dues, adding further value to the property. This townhouse combines modern amenities with a prime location, offering an ideal blend of comfort, convenience, and low-maintenance living.
