4 Bedroom, 3.00 Bathroom, 4,092 sqft

Residential on 3.25 Acres

N/A, Choteau, MT

This recently constructed home in 2021, has upgraded what you thought you need in a home. Starting with the Beautiful kitchen, offering a 5 burner gas range, double ovens, granite counter tops, large breakfast bar and ample room for a large dining table. This along with lots of windows offer an abundance of natural light. The living room space is again adorned with windows, natural light and views of both the Rocky Mountains, and the city lights at night. This is adjacent to the family room with wet bar for entertaining. Currently there is a golf simulator set up here. The main floor offers 2 spacious bedrooms, work out room,(could be a bedroom) 1.5 baths, and main floor laundry. Master suite is upstairs with large walk in closet, including its own washer and dryer, and master bath is complete with bidet and heated seat. The upstairs over looks the the living room and kitchen and all the amazing views get even better. The attached over size 4 stall heated garage completes the package!
