Garden Lover's™ Dream with Exceptional Shop, Storage & Rainwater System

This inviting 3-bedroom, 2-bath manufactured home offers so much more than meets the eye—especially for those who value outdoor living, gardening, and functional workshop space. Set on a beautifully maintained lot, the yard is a true haven for garden enthusiasts. You'll find seven raised garden beds, already planted for the season, ready to provide fresh produce throughout the summer. Two mature apple trees and a plum tree add charm and seasonal fruit, while the greenhouse, compost area with a tumbler, and rainwater collection system support a sustainable, low-maintenance lifestyle. A spacious enclosed screen porch offers a peaceful spot to enjoy your morning coffee or evening breeze without the bugs, overlooking your lush and productive outdoor space. The property also features an incredible heated two-car garage with an attached carport, dedicated shop area, and two additional storage rooms—perfect for projects, hobbies, or simply staying organized. An additional shed provides even more space for tools or seasonal items. This home offers comfort inside and abundant opportunity outside—perfect for anyone looking to blend function, self-sufficiency, and outdoor enjoyment in one unique property.
