Residential on 4.80 Acres

N/A, Stevensville, MT

The ultimate Barndominium sits on just under 5 acres in the beautiful Bitterroot Valley. The views from this impeccably constructed structure are more than spectacular and one can see from the Missoula Valley to the very far stretches of the south valley. From St. Joseph, St. Mary's, Totem Peaks to Lost Horse and beyond. This home features 3 bedrooms, three baths, and indoor hot tub and sauna. It is complete with a five and a half story silo which provides 360 degrees views of the valley, as well as the Sapphire and Bitterroot Mountain Ranges. The lower level is a mechanic's dream with over 2400 square feet of shop and garage space and a large mezzanine area with roughly 1600 square feet. And if that is not enough, it has a 30'x 40' detached two story shop for more of your toys or collector cars. Then there is a seven stall garage/implement shed to keep your collectables and machines out of the weather. This property is listed at a fraction of the cost of replacement. The cost per square foot under roof is less than \$80 per square foot. This is the bargain of the decade.
