Residential on 0.23 Acres

N/A, Hot Springs, MT

Beautiful 3 Bedroom bungalow on the south side of town known for its good neighbors & peaceful location. Large bedrooms on both ends of this manufactured home with an addition that has a 3rd bedroom. The En Suite has a remarkable floor to ceiling marble walk-in shower & large luxurious corner soaking tub. This portion of the home has a separate private entrance. The home is heated with a reliable wood stove that keeps things warm & cozy all winter long. The second bedroom with large walk-in closet is at the opposite end of the house next to another full bath with great storage. An addition is currently used for a 3rd bedroom but could be used for a variety of other uses. The kitchen has new appliances and counter tops with a beautiful stainless hood, stove & refrigerator. The entrance of this home is flanked by storage on both sides of the front door just beyond the attached porch/mud room. In the yard there is an additional, spacious 1 Bedroom dry cabin used for guests. continue... There a garden area in the back and the complete property is fully fenced. There is a steel container in the backyard that is perfect for a workshop or storage, a dog run and a chicken coop should you decide to have them. A 2 car, carport stands just inside the front gate. This manufactured home is well built, & the foundation is excellent with steel beams on concrete runners. Local mineral hot springs a few blocks away.
