Residential on 10.02 Acres

N/A, Victor, MT

Experience Montana living at its finest in this beautifully maintained three-level log home set on 10 level acres surrounded by mature trees and abundant wildlife. Built in 1993, this property offers 3 bedrooms, 3 baths, a bonus room, mudroom, and a spacious laundry area. Outside, youâ€™ll find everything you need for work, play, and hobby farming, including a large shop, a two-horse stable with a tack room, an indoor and outdoor dog kennel, a fenced garden, and fruit trees. Recent updates add peace of mind and value, including a new metal roof, high-producing well, underground sprinklers, and full exterior refinishing with sanding, staining, resealing, and new dormer wood. Heating options include fuel oil, wall and baseboard units, and a pellet stove for cozy winters. The garage is propane heated with two owned 100-pound tanks and electric heat in the reloading room. Just minutes from hiking trailheads and endless outdoor recreation, this property combines comfort, versatility, and extensive seller-funded upgrades, offering a rare chance to create your perfect Montana retreat. Select photos have been virtually renovated.
