See supplemental remarks for continuation of description ...Continued from Public Remarks Exterior and Surroundings: Acreage: 3.54 acres, offering plenty of space for outdoor activities and enjoying nature Setting: Tucked against a river bottom refuge, providing a serene and private environment Landscape: Enveloped by the majestic Ponderosa pines, enhancing the property's natural beauty This property is ideal for those seeking a peaceful retreat with the potential for rental income or a harmonious living arrangement for extended family.

This property is under construction and the price is \$647,500 but we have estimates on finishing. This is your opportunity to select the finishes for the home and have it completed by the builder who has started the

construction, bring your own contractor or complete the finishing touches yourself. Bring us an offer on this spectacular design and location. The septic is not installed and current configuration is not in compliance with the conservation easement nor the sanitation regulations of the county. Significant alterations to the structure(s) and septic system design would need to be done to be in compliance prior to occupancy.

Built in 2023
