Commercial Sale on 0.37 Acres

N/A, Great Falls, MT

Come invest in a truly iconic Great Falls commercial building steeped in history and in an ideal location, near I-15 and Central Avenue. What was-once The Jack Club Bar was converted to a popular antique mall and now awaits your ideas for profitable use. Consider going back to a bar/casino since part of the kitchen with stove, grill, sink is included. Retain it as an antique mall (business sold separately). Several of the commercial buildings nearby are construction supplies, services and offices, so their close proximity would be a good destination for builders and clients. Building is cinder block construction. There is plenty of parking on the paved .37-acre lot. The prominent monument sign "frame" comes with the sale. Newer roof. Listing includes all showcases, fixtures, and inventory under \$50. See MLS#30029847 for building/lot-only listing. Two bathrooms in main space and two others that have not been used for years. Two gas heaters in the basement. Two central air units on the roof. Square footage does not include the basement. The property is zoned as commercial (C2). Buyers should consult with the city on allowable uses and verify all information to their satisfaction.
