MLS® #30053069

\$395,000

0 Bedroom, 1.00 Bathroom, 980 sqft
Residential on 3.00 Acres

N/A, Victor, MT

Nestled on a peaceful 3-acre lot covered in mature pine trees, this property offers privacy and a connection to nature. The land is mostly wooded with a mix of pines and small clearings. A 1968 mobile home sits on the property, but it is in poor condition and likely not habitable without significant repairs or removal. This lot presents an excellent opportunity for someone looking to build their dream home or place a newer manufactured home. The grounds will need a lot of cleanup, as owner has been unable to do so.

Built in 1968
