Reduced! Incredible opportunity to own a beautiful 20 acre parcel, located minutes to Whitefish or Columbia Falls, that already has preliminary plat approval (expires in 2027) to separate the front 5 acres for future development! Well kept property not far off of Hwy 40. Home, barn and numerous outbuildings will give its new owners plenty of options. The 3 bedroom 2 bath home is very spacious with nice front and back decks. There is a large shop with a loft, a chick barn with a loft,(the owners raised and sold Ostriches in the past), 2 horse sheds, Greenhouse, a large pole frame building for hay storage, and 2 Quonset buildings. All but one of the out buildings have frost free water and they all have electricity. A knoll behind the existing home would be a wonderful site for a new home. Must see property! 60 Gallon water Heater 3 years old New Central AC 2 years ago
Of the 8 out buildings, the large shop has electricity and the other 7 buildings have electricity and frost free water faucets.
