Newly Priced! New Roof, Solar Panels! Fully fenced yard, corner lot.

Welcome home. You will be surprised by having as much space and storage as you can ever need. With 5 bedrooms, 3 bathrooms, a private dining room, pantry, fully fenced yard and a two car garage, you'll find this home to be everything you have been looking for. There is a newly replace roof on the house that is topped with solar panels that supplement the power to the home. The wood stove, and heating oil forced air furnace will keep you toasty all winter long. Above the garage you will find a private space perfect for a secluded office, studio, craft room, or even a bedroom.

The primary master suite has a jetted tub and radiant floor heat in the bathroom. With built in cabinets in all the main level bedrooms, it will be easy to stay organized and tidy.

There is a second bedroom that features a full bathroom in the ensuite, with built in cabinets as well. As you enter the house from the garage, or side door, you'll find a large mud room to wash the days chores off your hands. This oversized corner lot has large shade trees, and even a tire swing. Both front and back yards are fully fenced. The fuel shed and wood shed share the same roof, and are easily accessible for adding to the storage of both heating oil and fire wood.

Don't miss out on this great home. Schedule
