Incredibly well built SIPs panel home with little or no maintenance and a LARGE detached SHOP-multi car garage. The 30' x 50' Shop is wired for 440, has two additional rooms - the Studio is a perfect location for your hobby and the "Fishing Room" which is set up for your rod and fishing equipment storage. The main floor of this 3 bedroom - 2 bath cabin has an ensuite master bedroom complete with walk in closet. The remainder is an open floor plan centered on the propane fireplace. The fully finished basement adds two more bedrooms, a full bath, laundry area, and a family-TV room. All of this is located on 6+ acres looking out at Sphinx and the Madison Mountains just off of the County maintained road (always plowed in the winter as it is a school bus route). Bring your rod as you are only minutes away from the Madison River at the Varney Bridge put in or go fish the high mountain trout stocked Haypress lakes that are available for Shining Mountains owners. Bring your side by sides and roam the spine of the Gravelly Mountains dropping into Virginia City, the Ruby Reservoir or even into the Centennial Valley - miles and miles to explore.
