Residential on 2.00 Acres

N/A, Stevensville, MT

There are only so many places left in the Bitterroot Valley offering acreage, views, and no covenants under \$450K, and this one delivers. Set on 2 acres with panoramic views of both the Bitterroot and Sapphire Mountains, this property offers endless potential. The de-titled 2006 manufactured home (on a permanent foundation with engineer's report) features 3 bedrooms, 2 full baths, and 1,344 sq. ft. of living space. The seller has refreshed it with new carpet in the living room and primary bedroom, added a French door off the kitchen, and the roof was replaced in 2020. The 25 GPM well and seasonal water make it ideal for animals or that future oasis you've been dreaming about. No covenants mean you can bring your horses, build your shop, and live the Montana lifestyle your way. Motivated seller, so come take a look.
