7 Bedroom, 4.00 Bathroom, 4,201 sqft

Residential on 20.00 Acres

N/A, Rexford, MT

Multi family possibilities with this 20 acres of irrigated ground with 2 homes on the property! There is so much to see here, the main home is a custom built log home using absolutely massive logs! There are numerous garage spaces in 2 separate garages, a barn with hay storage and a large shop down by the field, The second home can be rented full time or nightly rentals. There is a nice blend of woods and open meadows with the 2 meadows having gravity flow irrigation water from the Young Creek irrigation system, the meadows are not currently producing hay but could be utilized for growing hay or other crops if so desired. Adjoining the one large garage is the man cave/game room/trophy room you have always dreamed of , fully insulated and heated. The home has an outdoor wood boiler and adjoining the national forest makes it easy to head out riding, hunting or walking in peace! The smaller 2 car garage has a nice office space, there are lean-to's for boat storage and so much more!

Built in 2008
