5 Bedroom, 4.00 Bathroom, 4,296 sqft

Residential on 0.77 Acres

N/A, Missoula, MT

Gracefully positioned on a hilltop with sweeping views of Missoula and glowing western sunsets, this spacious 4,296 sq ft home offers comfort, style, and a true Montana experience—frequently visited by deer, moose, and wild turkeys.

Spread across two above-grade levels and a walk-out daylight basement, the home has been thoughtfully updated with fresh interior paint and new flooring throughout most of the home, blending modern appeal with timeless design. The main floor features vaulted ceilings, a grand staircase, multiple dining and lounging areas, and access to a large back deck—ideal for both everyday living and entertaining. The open-concept kitchen includes newer appliances, quartz countertops, walk-in pantry, and a charming corner sink. A laundry/mudroom off the garage and a half bath round out the main level.

Upstairs, the remodeled primary suite is a true retreat, featuring its own private balcony, granite-topped vanity, newly tiled floors, and custom-tiled shower surround. Two additional bedrooms upstairs share a full bath.

Downstairs, the walk-out level offers a spacious family room with theater potential, a wet bar, a fireplace, plus two more bedrooms and a full bathroom—perfect for guests, teens, or multi-generational living. Outside you find a generous fenced backyard, which is ideal for outdoor gatherings, gardening, or pets.
