Lower Valley Legacy Ranch®—where privacy, history, and scale meet. Established in the late 1800s, this remarkable 246.3 acre holding spans seven legal parcels and features approximately 5,452 feet of nearly level Flathead River frontage with sweeping Swan Mountain Range views. A lush riparian corridor, private pond with expansion possibilities, and abundant bird and wildlife habitat create a rare sanctuary just minutes by boat from Flathead Lake. The gentle reach of river here presents characteristics favorable for floatplane use (subject to regulations/approvals). Improvements include two homes, a shop, and multiple outbuildings—including classic grain silos—offering immediate utility and authentic ranch character. Whether envisioned as a private oasis, conservation-minded retreat, or a thoughtful multi-parcel development (concept renditions available—CLA), this is a once-in-a-generation Lower Valley opportunity.
