JDavis Custom Built for this owner on 2.79 acre corner lot located at base of the Spokane Hills in the Kamp Subdivision of the East Valley of Helena. A five bedroom, three full bath home thoughtfully built for longevity. An attractive and spacious open kitchen featuring a large island with granite countertops, richly colored cabinetry, and ample floor space is the heart of the home. There are two primary bedrooms with ensuites on the main floor, and the third main level bedroom currently serving as a office den. It feels like the house may not end as you retreat to the basement. The lower level offers a welcoming recreation and media space, two additional bedrooms and restroom, a bonus hobby room with exterior locking door, and separate food storage room. Storage is not an issue as you will find! The garage is a three PLUS as one bay extends the length of the home and the lot offers ample additional parking extra toys.
