Just steps from the University of Montana, this classic brick bungalow blends early 1900s charm with thoughtful modern updates. Inside, youâ€™ll find original hardwood floors, a cozy living room with built-ins and a fireplace, and a light-filled dining space that opens into the remodeled kitchen featuring soapstone counters, a farmhouse sink, and a reclaimed wood ceiling. The main floor includes two bedrooms and a full bath, while upstairs offers a third bedroom with additional bath and tons of storage. While there are updates they stay true to the time period. A bonus room downstairs adds flexible living space for an office or storage. Outside, enjoy a fenced backyard, detached garage, and a location that puts you close to downtown, the river trail system, and all that the University District has to offer.
