Residential on 0.26 Acres

N/A, Helena, MT

This stunning Upper West Side residence boasts a million-dollar kitchen all on its own. Extensively remodeled in 2014 with a laser-focus on cooking, hosting, and entertaining, this home truly has it all. Industry-leading Viking appliances throughout, including three ovens, a gas cooktop grille, and a warming drawer, making Thanksgiving dinner effortless. A strategically positioned main sink, two prep sinks, and two ultra-quiet Asko paneled dishwashers streamline meal preparation and cleanup. A five-person bar offers a casual dining option or step down to an oversized dining area that comfortably seats 16. Rich and elegant cherry cabinetry provides generous storage for dishes and specialty cooking equipment. Additional features include a large walk-in pantry, coffee nook, a concealed knife block, two roll-out spice racks, and a tucked away KitchenAid station, creating a luxury chef's haven. The rest of the home is equally impressive, featuring seven bedrooms (please keep reading...) - one as a non-conforming versatile room ideal for a workout space, 3.5 bathrooms, a second living area, and a private master patio, providing plenty of room for hosting large groups. Vaulted ceilings, expansive windows, and thoughtfully designed gathering spaces make this home inviting for any occasion. Not to mention, the entire main living area lighting (living room, kitchen, dining room and theater room) is run by Control-4, a top-of-the-line home automation system. The

front deck adds another space for entertainment with built-in lighting, generous views of the north valley, and a dedicated sound system tucked under the deck, you can create any ambiance you wish. The backyard serves as a private retreat, complete with a rock fountain, gas fire pit, and a spacious brick patio perfect for relaxing with friends over cocktails or hot cocoa by the fire. During the winter months, enjoy a soak in the six-person Dimension One hot tub or unwind in the two-person barrel sauna. If you're feeling adventurous, take a plunge in a cold plunge right after! When you're done enjoying the backyard, retreat to the theater room, featuring a 120-inch 4K projection screen and a 13-speaker Dolby Atmos surround sound system - perfect for watching football games or action movies. The majority of the house is equipped with a Sonos speaker system for the audiophile enthusiast, including speakers in both the front and backyards to create the perfect atmosphere. The master bedroom has plenty of space, separate his and her closets, adjacent en-suite bathroom, and a large beautifully tiled walk-in shower with numerous shower heads to help melt away the day's stress. The oversized three-car garage provides ample space for vehicles, side-by-sides, boats, or other toys, alongside a separate workspace for those who love to tinker. Just four blocks from the Mount Helena trail system, three minutes to beautiful and historic Downtown Helena, minutes away from Kessler Elementary School and C.R. Anderson Middle School, five minutes from the Broadwater Athletic Club, and situated on a quiet, family-friendly street. You must see this house to fully appreciate its inviting ambiance and abundant comforts! Contact your favorite Realtor for a showing.
