Aero Lane Hangars, Bigfork, MT

Opportunity to own a hangar lot at Ferndale Airfield. Just minutes from downtown Bigfork and the shores of Flathead Lake. This buildable lot sits near the turf runway, offering convenient taxiway access and an ideal setting for pilots looking to construct a custom hangar, aviation workshop, or for personal storage. Ferndale Airfield features a 3,500' x 95' turf runway, and sits at 3,072' elevation. The public-use airport is well-suited for light general aviation and is surrounded by scenic mountain views, forested terrain, and easy access to recreational amenities. Electricity is available at the lot, and the level ground simplifies development. With Bigfork's restaurants, shops, and outdoor activities nearby—including boating, fishing, and hiking—this is a perfect base for aviation enthusiasts seeking both adventure and tranquility. A rare find in Northwest Montana where lifestyle and aviation meet.
