Residential on 1.00 Acres

N/A, Missoula, MT

It's not too often a home like this comes on the market. Welcome to 5911 Lariat Loop in 44 Ranch Estates. Right away you'll ogle over the huge one acre lot and all the space you'll have. But that extra space isn't just outside. The home is five bedrooms, three and a half bathrooms and over 3500 square feet. All the space you'll ever need in a home is here. The main living area is open and spacious with a cozy gas fireplace, vaulted ceilings and a beautiful built-in side bar in the dining room. The kitchen includes eye-catching countertops and stainless appliances with an oversized island for extra seating. Laundry is conveniently right off the kitchen. Also on the main level is the extra large main bedroom and its two walk-in closets as well as the main bathroom containing a double vanity, walk in shower and soaking tub. Just down the hallway are two additional spacious bedrooms and a full bathroom. The basement offers a great space for gathering to watch a movie or a sporting event. Don't miss the gas fireplace, wet bar and all the storage, too. As if that wasn't enough, the basement also has two more bedrooms - one with a walk in closet - and an attached full bathroom. Outside, the backyard is the place to be. In the warmer months, sit under the pergola and take in the views of Snow Bowl, entertain friends around the custom built rock fireplace, 2 waterfalls, an outdoor kitchen including a cooktop and place to insert your BBQ grill plus a space for your hot tub that's already wired and ready. The

yard is manicured and maintained and has underground sprinklers as well as a storage shed with electric wired to it. The three car attached garage includes a half bathroom and heated single car stall. 44 Ranch Estates is conveniently located minutes from North Reserve yet you'll never feel close to the hustle and bustle. The neighborhood is shockingly peaceful. Don't miss your chance to see this home.
