With a mixture of mature timber and open meadow, this level acreage offers INCREDIBLE VIEWS on the Swan Range, abundant wildlife and a private building site. There is ample space for horses and/or a garden. Power and phone are already to the building site, and access to a shared septic system is in place. White-tailed deer and turkeys visit the property on a regular basis. There are also grouse, ducks, geese, mule deer, elk, moose and black bears nearby. All the big predators â€” grizzly bears, wolves, mountain lions â€” live in the general area.
