1 Bedroom, 1.00 Bathroom, 900 sqft

Residential on 0.16 Acres

N/A, East Helena, MT

Spacious one-bedroom, one bath home on a quiet East Helena street. This is a project for its next owner and offers great potential. All the rooms are a nice size, the second bedroom was previously renovated into a large bathroom. The new owner should plan for new flooring and paint but this home does have a newer roof and new exterior paint on some of the home. The home has lots of storage, a large fenced yard, ample off-street parking, a nice garden shed, and a spacious shop with workshop and storage loft. Home is being sold AS-IS.

Built in 1888
