LODGE AT BIG MOUNTAIN ON BIG MTN
VIEW, Whitefish, MT

Kandahar is a staple of Whitefish Mountain Ski Resort and unit 315 presents a rare opportunity to own a piece of this beloved lodge. Amenities include a ski shuttle, fitness facility, hot tub, owner's locker room, private lounge, and the fireside great room. These amenities are available to owner's regardless of whether you are staying on property overnight or just up for a day on the slopes. Consider having your gear ready to go in your locker whenever powder hits and then a soak in the hot tub awaiting your return. Kandahar is operated as a condo-hotel with front desk and hospitality staff, unit rental management, and a BOD overseeing operations. Limited personal use available and all units are included in the rental pool. The lodge staff manages the rentals and owners cannot individually manage the units.
