

\$799,000 - 7517 Duffy Lane, Canyon Creek

MLS® #30057706

\$799,000

3 Bedroom, 2.00 Bathroom, 1,994 sqft
Residential on 10.14 Acres

N/A, Canyon Creek, MT

Welcome to your Montana country retreat—perfect for horse enthusiasts, rodeo competitors, or anyone seeking a peaceful rural home. This well-kept single-level 3-bedroom, 2-bath sits on 10 fenced acres, featuring a riding corral, barn, and three pastures with automatic waterers for horses or livestock.

At the heart of the home is a kitchen designed to impress. Stainless steel appliances, a farmhouse sink, wine/beer fridge, and solid-surface counters pair beautifully with knotty alder soft-close cabinetry and rustic log accents. Skylights fill the room with light, and the island is ideal for cooking and gathering. In the living room, vaulted wood ceilings with exposed beams and tongue-and-groove finish complement hardwood floors and large windows that fill the space with natural light. A Blaze King wood stove provides efficient warmth, and the lodge-style design gives the room a rustic yet refined Montana character.

Outside, enjoy underground sprinklers, a mature lawn, established trees, a fenced yard for pets, and a fire pit for evenings under Montana skies. A large insulated 2-car garage provides everyday convenience.

Equestrian amenities include a barn, horse shelter in the fenced corral, and three pastures with automatic waterers. A spacious shop with concrete flooring, hay storage, and a lean-to

offers plenty of room for equipment or livestock. Additional features include a chicken coop and a shed with an attached dog kennel and pet shelter—an excellent setup for boarding, training, or rodeo use.

Set in a quiet location with mountain views, the property offers the best of country living with direct access to recreation. Ride out from the property or enjoy nearby hunting, fishing, skiing, and snowmobiling. Whether you’re an equestrian, rodeo competitor, or simply seeking a rural retreat built with quality and comfort, this property checks all the boxes.

Built in 1997
